

WEDDINGS AT THE SANDS BARBADOS

It is very easy to get married in Barbados, as there is no waiting period or minimum length of stay required. Application for a marriage license must be made in person, by both parties, at the Ministry of Home Affairs with the relevant documents to present to the officer. This is located in Wildey, a 15 minute drive from the hotel.

Documents Required:

- ♥ Valid passports or the original or certified copies of the applicant's birth certificates.
- ♥ If either party was previously married and widowed, a certified copy of the deceased spouse
- ♥ If either party was divorced, an original Decree Absolute or a certified copy of the Final Judgment, not the Decree Nisi.
- ♥ For Jewish weddings, the couple must bring their own Rabbi, as there are none on the island.
- ♥ All documents not in English must be accompanied by a certified translation.
- ♥ Arrangements should be made with a local Minister of Religion or a Magistrate prior to the completion of an application form for a license. (included in hotel's wedding package)
- ♥ A marriage can be solemnized immediately after the issue of the License.
